IYADI PLANNING SOLUTIONS (PTY) LTD.
REACHING NEW HEIGHTS.

**COMPREHENSIVE PLANNING,
ARCHITECTURAL AND
BUILDING CONSTRUCTION
SOLUTIONS FOR SUSTAINABLE
COMMUNITY DEVELOPMENT**

ABOUT US

Iyadi Planning Solutions (Pty) Ltd is a South African town planning and architectural firm committed to fostering growth and development, particularly in human settlements and community-oriented projects. Founded in 2021 by Mr. Mongezi Shabangu, Iyadi Planning Solutions collaborates closely with all levels of government, real estate developers, businesses, and community organisations to create sustainable, inclusive environments that enhance quality of life. Guided by principles of sustainability and social justice, our team integrates high standards of efficiency and excellence to deliver impactful, future-focused solutions.

WHO WE ARE ?

OUR VISION

To be the premier choice in the African built environment for town planning, architecture, and construction.

OUR MISSION

To achieve efficient, timely, and sustainable service delivery that surpasses client expectations, upholding a standard of excellence in every project.

OUR VALUES

Honesty: Conducting business with transparency and integrity.

Relationship: Fostering enduring client partnerships beyond transactional interactions.

Excellence: Striving to exceed client expectations in every project.

”

REACHING
NEW HEIGHTS

OUR CERTIFICATIONS

We are proudly affiliated with the following regulatory and certification bodies, affirming our commitment to quality, responsibility, and industry excellence:

CONSTRUCTION INDUSTRY DEVELOPMENT BOARD (CIDB)

Our CIDB registration reflects our dedication to maintaining the highest construction standards, with recognised grading based on our experience and capabilities in the industry.

COMPENSATION FOR OCCUPATIONAL INJURIES AND DISEASES ACT (COIDA)

Our affiliation with COIDA underscores our commitment to protecting our workforce, ensuring that our employees are covered in case of occupational injuries, illnesses, or disabilities.

CENTRAL SUPPLIER DATABASE (CSD)

We are recognised as a compliant supplier, ready to serve government departments and participate in public procurement opportunities.

ENGINEERING COUNCIL OF SOUTH AFRICA (ECSA)

Our ECSA accreditation validates our adherence to stringent engineering standards and ethical practices, demonstrating our professional excellence.

NATIONAL HOME BUILDERS REGISTRATION COUNCIL (NHBRC 400006373)

As a registered member of the NHBRC, we are committed to quality in residential construction, meeting all regulatory standards to protect housing consumers.

INSTITUTE OF WASTE MANAGEMENT OF SOUTHERN AFRICA (IWMSA)

Affiliated with the IWMSA, we actively support responsible and sustainable waste management practices, showcasing our dedication to environmental stewardship.

BROAD-BASED BLACK ECONOMIC EMPOWERMENT – LEVEL 1

Our Level 1 B-BBEE status affirms our strong commitment to economic transformation and inclusivity, providing our clients with 135% procurement recognition in support of empowerment initiatives.

These affiliations confirm our responsibility to uphold the highest standards across all aspects of our operations, ensuring quality, safety, and social responsibility in everything we do.

SERVICES WE OFFER

CAPACITY BUILDING

Community participation, project facilitation, education, and empowerment initiatives.

TOURISM AND RESORTS

Development facilitation for hospitality and resort projects.

TOWNSHIP DESIGN & DEVELOPMENT

Inclusive and integrated design, ensuring compliance with industry standards.

PROPERTY DEVELOPMENT AND CONTROL

Land use management, rezoning, subdivision, township establishment for housing, commercial, and industrial projects.

ECONOMIC DEVELOPMENT

Strategic regional planning, viability assessments, financial structuring, and due diligence.

PROJECT MANAGEMENT

Coordination of multidisciplinary teams and comprehensive project execution.

DEVELOPMENT ASSESSMENT & DUE DILIGENCE

Compliance assessment, land use control confirmation, and best use analysis.

STRATEGIC & POLICY PLANNING

Frameworks for urban and rural development, precinct policies, urban regeneration strategies, and integrated development plans.

MEET OUR TEAM

Iyadi Planning Solutions is proud to introduce a team of dedicated professionals who bring deep technical expertise and years of industry experience to each project. Our team's collective skills in planning, management, legal, surveying, engineering, and environmental assessment enable us to provide clients with creative, tailored solutions. We emphasize transparent communication and responsiveness, fostering trust and strong client relationships.

Here's a look at our team:

MR. MONGEZI SHABANGU – DIRECTOR & PROFESSIONAL TOWN PLANNER

Mongezi holds a Bachelor's Degree of Technology in Town and Regional Planning and a National Diploma in the same field. Starting his career with Alfred Duma Local Municipality before establishing his consulting practice in 2021, he is a registered town planner. With a strong foundation in planning, architecture, project management, and construction, Mongezi excels at navigating complex technical challenges, bringing thorough knowledge of town planning and legal frameworks.

MR. AYANDA NDUMISO ZIKHALI

PROFESSIONAL PLANNER

Ayanda is a professional planner with a Bachelor of Technology in Town and Regional Planning. With five years of experience (SACPLAN Registration: A/3252/2022), he has developed a robust understanding of town planning processes and works closely with clients to bring their visions to life through structured planning strategies.

MR. MFUNDO NDLOVU

PROFESSIONAL LAND SURVEYOR

Mfundo holds a Bachelor of Science in Land Surveying and has 12 years of industry experience (SACPTS/PLATO Registration: PLS1313). His extensive knowledge in surveying enables him to manage technical land assessments and ensure precise mapping for client projects.

MISS. YANELISA INGA A. KLAAS

PROFESSIONAL GEOMATICS TECHNICIAN

Yanelisa, a Bachelor of Built Environment in Geomatics graduate, brings three years of experience to her role (Registration: 647/Z). She provides expert geomatics support, focusing on precision and accuracy in spatial data and mapping.

MRS. ZAMA SITHOLE

ENVIRONMENTAL ASSESSMENT PRACTITIONER AND GEOLOGIST

Mrs. Zama Sithole holds a Master's Degree in Environmental Management from the University of the Free State. She is a registered Environmental Assessment Practitioner with the Environmental Assessment Practitioners Association of South Africa. Mrs. Sithole has over 15 years of experience in environmental management and geological investigations and is the founder of Zeo Geo Services (Pty) Ltd. Her expertise includes Environmental Impact Assessments (EIA), geotechnical investigations, groundwater studies, environmental compliance, and environmental authorisation processes.

MDINGWA NYATHI
PROFESSIONAL ARCHITECT & PROJECT MANAGER

PrArch 21118 -Website.www.sivago.co.za

Ndingwa is responsible for the architectural design, project coordination, construction supervision, and overall management of development projects from inception to completion. His role includes ensuring compliance with applicable building regulations, municipal requirements, project timelines, and quality standards throughout all phases of implementation.

MR. SENZO THABANI MBONA
CONSTRUCTION HEALTH AND SAFETY OFFICER

Senzo, a certified Health and Safety Officer (NOSA Samtrac, CHSO Registration: 6536/2024), has eight years of experience ensuring that construction projects adhere to health and safety standards, protecting both workers and clients.

DR. GODFREY GOMBANA MUSVOTO
PROFESSIONAL TOWN PLANNER

Godfrey holds a PhD and a Master's Degree in Urban and Regional Planning from the University of KwaZulu-Natal. He is a registered Professional Planner with the South African Council for Planners. He has vast experience as a development planner, including master planning, spatial development frameworks, land use management, and the preparation of guidelines for sustainable urbanisation and integrated development planning.

MR. MALCOM NTANDO NCUBE
CIVIL AND STRUCTURAL ENGINEER

Malcom, holding a Bachelor's in Civil and Water Engineering with Honours, has 20 years of experience in civil and structural engineering (Registration: 2020402469). His projects emphasize stability, safety, and compliance in civil and water infrastructure.

MR. LOID CHIZORORO
MECHANICAL ENGINEER

Mr. Loid brings 13 years of experience in mechanical engineering with a Bachelor's Degree in Mechanical Engineering. His work ensures efficient, innovative mechanical solutions that align with project specifications.

MR. ANDREW KADUDU
PROFESSIONAL QUANTITY SURVEYOR

Andrew is a Professional Quantity Surveyor with more than 17 years of experience in the construction industry. He obtained a Master of Land and Property Development Management from the University of the Free State and is registered as a Professional Quantity Surveyor with the Professional Members Association Quantity Surveyors. His expertise includes cost estimation, contract administration, project budgeting, financial control, procurement management, and construction cost management for various development projects.

WHY CHOOSE US?

When you choose us, you're partnering with a team dedicated to delivering results that prioritize your needs and exceed expectations.

Here's why you'll benefit from working with us:

PROVEN EXPERTISE AND QUALITY

With industry-recognised certifications and affiliations, we guarantee that your project will be handled by experts who meet the highest standards of quality and compliance, ensuring reliability and peace of mind.

TAILORED SOLUTIONS

We understand that every client is unique. We work closely with you to deliver customised services that address your specific needs and challenges, maximizing efficiency and impact.

SUSTAINABILITY AND RESPONSIBILITY

Our dedication to sustainable practices, demonstrated by our IWMSA membership, means you're partnering with a company that values environmental stewardship and prioritizes eco-friendly solutions, aligning with your commitment to a better future.

COMMITMENT TO SAFETY AND COMPLIANCE

With affiliations like COIDA, CIDB, and NHBRC, we are fully committed to maintaining a safe and compliant work environment, which protects your interests and ensures your project is always on the right track.

EMPOWERMENT & INCLUSIVITY

With our Level 1 B-BBEE status, you benefit from working with a business that actively supports economic empowerment, providing you with maximum procurement recognition and aligning with your values in social responsibility.

END-TO-END SERVICE EXCELLENCE

From planning to execution, we're with you every step of the way, ensuring a seamless experience that saves you time, resources, and stress. Our focus on open communication, transparency, and reliability means you'll always know your project's progress and feel confident in the results.

Choose us to experience a partnership that prioritizes your success, delivers exceptional value, and supports a responsible, sustainable future.

GOING GREEN

At Iyadi Planning Solutions, we are deeply committed to harmonizing ecological, economic, and social objectives to foster a balanced and sustainable future. Our environmental efforts focus on reducing carbon emissions, promoting renewable energy, and ensuring equitable resource access. As town planners, we address challenges such as climate change and air pollution by striving for balanced development in both urban and rural areas, ensuring that each community benefits equally from sustainable growth. Our commitment to sustainability means addressing today's needs while safeguarding the ability of future generations to meet theirs. We emphasize responsible land use and environmental enhancement to create more resilient and thriving communities.

A photograph of a hand holding a four-leaf clover. The hand is positioned in the lower left, with the thumb and index finger gently holding the stem of the clover. The clover is bright green and stands out against a blurred background of green foliage and blue sky. The image is framed by light green geometric shapes on the left and right sides.

AT IYADI PLANNING
SOLUTIONS, WE ARE
DEEPLY COMMITTED TO
HARMONIZING
ECOLOGICAL, ECONOMIC,
AND SOCIAL OBJECTIVES
TO FOSTER A BALANCED
AND SUSTAINABLE
FUTURE.
